

Admirals Club Children's Rooms Backgrounder

Overview

The first child's playroom was built in 1994 located in the Miami Terminal E club. Other clubs with this feature include Dallas/Fort Worth Terminal C in 1997, Dallas/Fort Worth Terminal A in 2001, Los Angeles in 2003, New York's JFK Concourse C, Miami Terminal D and Dallas/Fort Worth Terminal D in 2005, New York's JFK Concourse B in 2007 and Chicago Terminal H/K Club in 2009. Children's rooms are scheduled to open in 2010 at Boston's Terminal B lounge and at the end of 2010 at London Heathrow's Terminal 3 lounge. This amenity is designed to address the needs of our members in their attempt to blend their professional and personal responsibilities.

For attractions, the children's rooms are equipped with computers that have "kid-friendly" games and programs, as well as a TV featuring age appropriate programming, such as Nickelodeon and the Cartoon Network.
