Aspire to a Higher Level

Elite status. That's a goal that you will benefit from every time you fly! With every level of elite status — AAdvantage Executive Platinum[®], AAdvantage Platinum[®], and AAdvantage Gold[®] — you will enter a world of superior service and luxury. Imagine if every time you traveled, you had special check-in privileges at the airport or preferred seating on your flight. And even on the ground, you would have a dedicated phone line connecting you to specially trained service representatives, and discounts on your Admirals Club[®] membership. And speaking of airport lounges, as an AAdvantage Executive Platinum or AAdvantage Platinum member, you would enjoy complimentary access on the day of departure to lounges belonging to any of the **oneworld**[™] airlines*.

Mileage Bonuses

AAdvantage Executive Platinum and AAdvantage Platinum members earn a **100%** mileage bonus with each qualifying flight, and AAdvantage Gold members earn a **25%** mileage bonus**.

Complimentary Upgrades

All elite-status AAdvantage members enjoy complimentary upgrades to the next class of service for themselves and a companion when both are traveling on an eligible[†], full-fare Economy Class ticket within the U.S., Canada, Mexico, The Bahamas, Bermuda, and the Caribbean, and between the U.S. and Central America. And even better, AAdvantage Executive Platinum members may request complimentary upgrades to the next class of service when traveling on any purchased, published fare on these routes. See below for information regarding how to request your upgrade.

Purchase Upgrades for Less

Upgrade for less by purchasing your 500-mile electronic upgrades either online at AA.com or by phone through the AAdvantage Dial-In[®] system at **1-800-882-8880**. These advance-purchase upgrades are only \$25. Upgrades may also be purchased at the airport at a rate of \$30 each. AAdvantage elite-status members also have the option to purchase upgrades with miles at a rate of eight upgrades for 35,000 miles^{††}.

Using Your Upgrades

Elite-status AAdvantage members may use electronic upgrades for travel on any purchased, published fare, while non-elite members may use them on Y and B fares only. All travel must be within and between the U.S., Canada, Mexico, the Caribbean, the Bahamas, Bermuda, and Central America. You can request an upgrade at the time of booking. If upgrade seating is available, we'll automatically process your request when the appropriate upgrade window opens (100 hours prior to departure for AAdvantage Executive Platinum, 72 hours for AAdvantage Platinum, and 24 hours for AAdvantage Gold members).

So, how can you achieve elite status? Simply keep flying with us! Also, remember that mileage earned on many AAdvantage participating airlines counts toward elite status. Think about the new world of travel experience that awaits you, and make American your choice. For complete information on the AAdvantage program and how to qualify for elite-status membership, visit www.aa.com/aadvantage.

*For members traveling internationally on a flight marketed and operated by a **oneworld** carrier

American Eagle Adds Service to San Luis Potosí, Mexico

American Eagle is proud to announce daily nonstop flights between Dallas/Fort Worth and San Luis Potosí, Mexico, beginning January 5, 2005. San Luis Potosí is northwest of Mexico City in central Mexico's high plains region. It is the largest and most industrial of the old silver mining cities, with more than a half million residents. In addition, San Luis Potosí is home to Universidad Autónoma de San Luis Potosí, one of Mexico's main universities.

In addition to this new destination, American Eagle serves five other cities in Mexico — Aguascalientes, León, Guadalajara, Monterrey, and Torreon. Added to the other seven American Airlines destinations — Acapulco, Cancun, Cozumel, Ixtapa/Zihuatanejo, Los Cabos, Mexico City, and Puerto Vallarta — we have an outstanding flight network that offers over 275 flights from the U.S. every week.

Start 2005 off right with a trip to Europe and this special account-boosting offer. Fly one, two, or three round trips to Europe before March 14, 2005, and earn up to **60,000** AAdvantage bonus miles! Choose from eight European destinations: Brussels, Frankfurt, London, Madrid, Manchester, Paris, Rome, or Zurich.

For a unique European adventure, try visiting Brussels or Frankfurt. Both destinations are nestled in the heart of their countries and are excellent gateways for beginning your journey. Start your Belgian exploration in Brussels, a modern and peerless capital where art nouveau and surrealism co-exist, and the to-die-for chocolate is always available in large quantities. Frankfurt is the starting point for memorable excursions into Germany, but you can also spend many days there exploring both ultramodern and centuries-old architecture, sampling wienerschnitzel and sausage, or simply enjoying the sights along the Main River. Universities and world-class museums top off the attractions in both cities.

Fly American's daily nonstops from Chicago O'Hare to both Brussels and Frankfurt. You can also fly nonstop from New York JFK to Brussels, and from Dallas/Fort Worth to Frankfurt.

One Donation to UNICEF = Two Gifts

In this season of giving and sharing, American Airlines is especially proud to support UNICEF, the United Nations Children's Fund. In the last 10 years, we have collected over \$1.5 million in unused currency, thanks to the generosity of our customers.

UNICEF works in nearly 160 countries and territories to provide children with life-saving medicine and immunizations, better nutrition, clean water and sanitation, quality basic education, and emergency relief.

As part of our support of UNICEF, we are proud to provide an easy, secure way for you to join us in saving children's lives and building their futures by making online donations with your credit card. Here are a few examples of how your gift works to help the children.

- A \$3.00 gift can provide enough antibiotics to save 10 children suffering from pneumonia
- A \$15.00 gift can provide enough vitamin A to protect 500 children against blindness for one year
- A \$25.00 gift can provide basic education supplies for 10 children

Additionally, for every one-dollar equivalent donated to UNICEF, American donates **10** AAdvantage miles* to the Miles For Kids In Need® program that provides transportation for underprivileged children in need of medical treatment that's not available where they live.

Learn more about this valuable program and make donations by visiting www.aa.com/unicef.

*American Airlines reserves the right to determine the final use of miles within the guidelines of the Miles For Kids In Need program.
