One Donation to UNICEF = Two Gifts

A special effort is currently underway by UNICEF to raise money to aid tsunami victims. To find out how you can help and earn some AAdvantage® bonus miles at the same time, please visit www.aa.com/unicef

American Airlines is especially proud to support UNICEF, the United Nations Children's Fund. In the last 10 years, we have collected over \$1.5 million in unused currency, thanks to the generosity of our customers. UNICEF works in nearly 160 countries and territories to provide children with life-saving medicine and immunizations, better nutrition, clean water and sanitation, quality basic education, and emergency relief.

As part of our support of UNICEF, we are proud to provide an easy, secure way for you to join us in saving children's lives and building their futures by making online donations with your credit card. Here are a few examples of how your gift works to help the children.

- A \$3.00 gift can provide enough antibiotics to save 10 children suffering from pneumonia
- A \$15.00 gift can provide enough vitamin A to protect 500 children against blindness for one year
- A \$25.00 gift can provide basic education supplies for 10 children

Additionally, for every one-dollar equivalent donated to UNICEF, American donates **10** AAdvantage miles* to the Miles For Kids In Need® program that provides transportation for underprivileged children in need of medical treatment that's not available where they live.

Learn more about this valuable program and make donations by visiting www.aa.com/unicef.

The South Florida Cold Remedy

As a Proud Partner of America's National Parks, American Airlines encourages our customers to visit some — or *all* — of America's 388 National Parks. If warm breezes and sunny skies are what you're craving this time of year, there's no better place to experience the great outdoors than the National Parks of south Florida, like Biscayne National Park and Everglades National Park. You can visit either park by flying into Miami. Once there, it's only 35 miles to Biscayne and 45 miles to the main entrance of Everglades National Park.

Neil Montanus, Kodak Ambassador

Biscayne is a very unique park because 95% of it is underwater! Take a glass-bottom boat tour, or try a snorkel or dive trip. And, of course, there's fishing. For more information, visit www.nps.gov/bisc.

The 1.5-million-acre Everglades Park is the largest subtropical wilderness in the continental U.S., with extensive fresh, estuarine, and saltwater areas. It is the only place in the world where alligators and crocodiles coexist. Everglades has been designated as an International Biosphere Reserve, a World Heritage Site and a Wetland of International Importance. For more information, visit www.nps.gov/ever.

In addition to encouraging customers to enjoy the splendor of our country by visiting the National Parks, American Airlines — in cooperation with the National Park Foundation and through the generosity of our AAdvantage members — is raising money to help enhance visitor experiences at the parks. AAdvantage members earn **10** AAdvantage bonus miles for every \$1 given* to our Proud Partner campaign. Plus, for donations of \$125 or more, AAdvantage members receive a National Park Pass**, a \$50 value. This pass allows free entry into any park that charges an entrance fee.

To make a donation to American's Proud Partner campaign, visit www.nationalparks.org or call the National Park Foundation at **1-888-GO-PARKS**. When making a donation, please have your AAdvantage account number handy.

*\$10 is the minimum gift that earns miles. Please allow up to eight weeks for the bonus miles to be posted to your account.

** Gifts are tax-deductible less the value of the miles earned and less the value of the National Park Pass, if applicable.
