Mexicana Joins the AAdvantage Program!

MEXICANA 

American Airlines proudly welcomes Mexicana de Aviación the premier airline of México, to the AAdvantage program. Mexicana began flying between México City and Los Angeles in 1941. Today they carry over eight million passengers annually to over 50 destinations.

Mexicana offers you the opportunity to earn miles and redeem awards to many new and exciting destinations in México. Choose resort areas like Merida, Huatulco, and Manzanillo, or various cities in the interior of México, such as Oaxaca, Morelia, and Zacatecas. Mexicana also serves the Caribbean, Central America, and South America.

The new relationship with Mexicana also includes a codesharing agreement that gives you the opportunity to earn elite qualifying miles when flying American Airlines coded flights on Mexicana*. For details, go to AA.com and select Travel Information, then Codeshare Partners.

For reservations, contact your local American Airlines Reservations office or consult your travel planner. To book award travel on Mexicana, call AAdvantage reservations at the number listed on page 8. Visit www.aa.com or www.mexicana.com for more information regarding Mexicana and the AAdvantage program.

*Ticket must reflect an American Airlines coded flight number

A Guide to Codesharing

Through our codeshare agreements in Europe, American Airlines markets selected flights operated by British Airways, Iberia, SN Brussels Airlines, and SWISS as American Airlines flights. If you purchase a seat on one of these carriers, your ticket will show an American flight number.

When traveling on an American Airlines codeshare flight operated by one of our partners, you can earn AAdvantage miles, which will count toward AAdvantage elite status, when your ticket shows an American Airlines flight number or the flight number of an AAdvantage participant airline*.

In addition, the convenience of a single ticket makes your overall travel experience a smoother one. Learn more by selecting the Codeshare Partners link under Travel Information at AA.com.

*See www.aa.com/aadvantage for information on earning miles toward AAdvantage elite-status membership.

A Codeshare Example

Take British Airways from Milan to London, then fly American to the U.S. on one ticket, earning mileage all the way.

México: Land of Contrasts

It's no secret that México is a land of many contrasts. Such disparity is evident in México's vast geography: snow-topped mountain ranges flank the arid Chihuahua desert and pristine beaches are only a short journey away from lush rain forests.

Culturally, past meets present in colorful galleries, markets, and architecture. The traditional charms of fiestas, native music, and handicraft displays entertain you as you shop for the most up-to-date merchandise — quality ceramics, sterling silver jewelry, designer furniture, woven goods, and musical instruments.

For a city tour, explore the modern municipalities of Guadalajara and México City. For a slower pace, visit the colonial mountain village of Guanajuato or discover the ethnic and geographical diversity of Oaxaca. If you like adventure, take a train to the Copper Canyon, then hike through a piñon forest to see the Cusárare waterfall.

If you are a history or archeology enthusiast, explore the Mayan ruins in the Yucatan Peninsula and the Jesuit missions and cave dwellings in the northern region and Baja California. Then venture into the port of Veracruz to experience the imbedded blend of Spanish, Afro-Caribbean, and native Mexican legacies.

Of course, you can always travel to one of the many resort areas dotting the Gulf, Pacific, and Caribbean coasts: Acapulco, Cancún, Cozumel, Ixtapa/Zihuatanejo, Los Cabos, Merida, and Puerto Vallarta, to name a few. In addition to breathtaking beaches, enjoy day trips, scuba diving, and night life.

Whether you are seeking a world-class tourist experience, a taste of village life rich in history and culture, or an adventure into the backwoods, México is the place for you. Learn more about this fascinating country of contrasts by visiting www.visitmexico.com. [Return to top](#)

PlanAAhead Awards Become MileSAAver Awards

American Airlines has changed the name of the PlanAAhead[®] award to MileSAAverSM award. Although the name has changed, award restrictions, guidelines and availability limits remain the same. We are doing this to more accurately convey how MileSAAver awards work. Just like the PlanAAhead awards, MileSAAver awards require fewer miles than AAnytime awards; however, AAnytime awards are not subject to capacity controls. Visit www.aa.com/aadvantage for more information.

Because American manages its seat inventory based on ever-changing customer demand, MileSAAver award seats for a specific flight may become available at any time up until departure. So, if you're trying to book MileSAAver award seats on a popular flight or at a peak time, you may want to check

AA.com frequently.
