

# American Airlines®

Premium Experience

At American Airlines, our goal is to provide a convenient and comfortable flight experience for every customer. With American's "International to International" service, customers flying through Dallas Fort Worth International Airport to another International destination, (third country) can continue to their next flight without picking up checked baggage at Dallas Fort Worth Airport. Only on American Airlines!

## International to International (ITI) Seamless Baggage Service

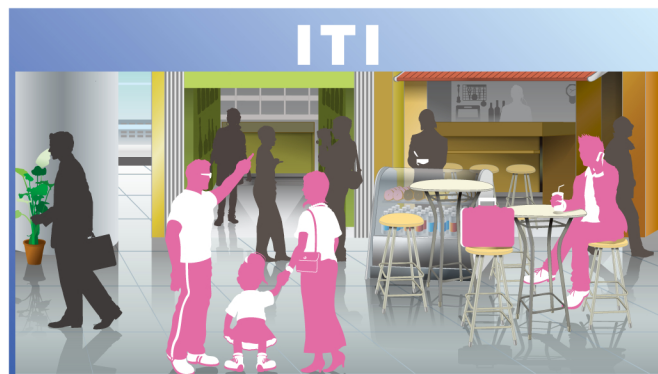

# Efficient and Simple. Checked Baggage to Final Destination.

Check in baggage anywhere in Japan when flying to an international destination (third country) via Dallas Fort Worth\* on American Airlines, and it will arrive at your final destination, on your flight. With ITI service, it is no longer necessary to pick up your checked bags while in transit at Dallas Fort Worth International Airport.

### Arrive Hassle Free

When you arrive and transit at Dallas Fort Worth International Airport, enjoy seamless transfers, without having to wait for your checked baggage.

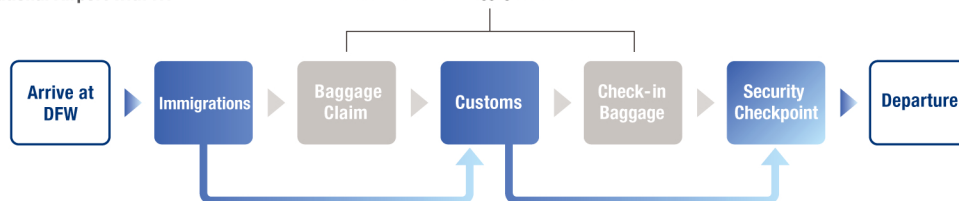

### Time Is Precious

Upon arrival at Dallas Fort Worth International Airport, ITI passengers clear US Immigration and Customs efficiently, freeing more time for you to relax or shop.

Transit to another international destination at Dallas Fort Worth International Airport with ITI

With ITI, it is no longer necessary to pick up and check-in claimed baggage at Dallas Fort Worth.

\*For customers making same day International connections on American Airlines at Dallas Fort Worth International Airport. This service is also available on the transit back to Japan as well.

Note:  
Customers in transit to a third country must still clear US Immigration and Customs upon arrival at Dallas Fort Worth and subject to TSA enforced guidelines on hand carried liquids. Therefore, may we recommend customers who plan to purchase Duty Free liquid items (i.e. liquor, lotions) to make their purchases "after" the security checkpoint at DFW or on the final flight of their journey that day.
