

Unaccompanied Minor Service

Thank you for selecting American Airlines. We consider the safe transportation of children who travel unaccompanied by adults to be a high priority.

General Information

- Airport ground personnel and/or authorized escort will deliver and introduce the unaccompanied minor (UMNR) travelers to flight attendants for the originating flight and/or connecting flight.
- UMNR travelers will be delivered to the receiving parent or guardian by a flight attendant or authorized escort at the destination airport. **The individual designated to pick up the child will be required to provide identification and a signature prior to release.** UMNR travelers will not be released to any individual not specified on UMNR paperwork by the parent or guardian at check-in.

The travel documentation pouch is to remain with the UMNR and be visible at all times.

NOTE: Airport ground personnel or authorized escorts and flight attendants may be assisting more than one UMNR at a time. If the UMNR is making a connection, authorized escorts are responsible for assisting the UMNR with the connection. Depending upon the connection city, this may require the UMNR to be transported by electric cart at which point the driver is the authorized escort. In addition, selected cities provide a holding room for the UMNR travelers. However, use of the room may depend upon the connecting time as well as the distance between the gates. Generally, UMNR travelers are taken to the holding room if connection is over one hour.

Acceptance Policy

- Children five (5) years or older may travel unaccompanied on American Airlines flights that do not change aircraft.
- Children must be eight (8) through fourteen (14) years old to travel unaccompanied on connecting flights.
- Reservations must be confirmed to the final destination and may not include a connection to the last American Airlines or American Eagle flight of the day to the specified destination.
- Children fifteen (15) through seventeen (17) years old are considered young adults and are not required to use the UMNR service. However, the UMNR service is available to them upon request and under the same provisions.
- Connections to flights of other carriers are permitted only when allowed by the rules of the connecting carrier.
- A fee will be assessed for each individual UMNR for providing UMNR service. UMNR children from the same family traveling on the same flights will be assessed a single fee.

NOTE: All children age five (5) through fourteen (14) who travel unaccompanied are required to use the UMNR service.

- Early check-in at the ticket counter is encouraged in order to complete the required UMNR paperwork prior to boarding (e.g., normal check-in: Domestic - 1½ hours prior to departure, International - 2 hours).
- The parent/guardian dropping off the child must provide the ticket counter agent with their name, address, home and business telephone number. The same information must be provided at check-in for the receiving parent/guardian.
- The parent/guardian dropping off the UMNR must remain until the child has boarded and the aircraft has departed the gate. Also, the parent/guardian designated to pick up the UMNR should be waiting at the destination (Arrival Gate/Ticket Counter/International Arrival Area) at the scheduled arrival time.
- Acceptance policies may change. Contact Carrier to confirm current policies.

Please advise your child to follow uniformed American Airlines crew member, agent or authorized airport escort personnel instructions only.

We suggest that you provide your child with their favorite toys, books, and/or snacks within lightweight carry-on luggage to occupy their time inflight.

Servicio para Menores sin Acompañantes Adultos (UMNR)

Le agradecemos que haya seleccionado American Airlines. Para nosotros es una prioridad el transporte seguro de los menores que viajan sin acompañantes adultos.

Información general

- El personal de tierra y/o un acompañante autorizado entregará y presentará a los pasajeros menores sin acompañante (UMNR) a los auxiliares de vuelo.
- El auxiliar de vuelo o un acompañante autorizado hará entrega de los pasajeros UMNR al padre o guardián en el aeropuerto de destino. **La persona nombrada para recibir al menor deberá presentar la identificación pertinente y una firma antes de recibir al menor.** Los pasajeros UMNR no se entregarán a ninguna persona que no haya sido especificada en la documentación relativa al UMNR por el padre o guardián en el momento del registro.

El menor llevará consigo la documentación de viaje, la cual deberá estar visible en todo momento.

OBSERVACIÓN: El personal de tierra/acompañantes autorizados y los auxiliares de vuelo pueden ayudar a más de un UMNR a la vez. Si el UMNR tiene que hacer una conexión, los acompañantes autorizados son responsables de ayudar a dicho UMNR con la conexión de su vuelo. Dependiendo de cuál sea la ciudad de conexión, es posible que el UMNR tenga que ser transportado mediante un vehículo eléctrico, en cuyo caso el conductor de dicho vehículo será el acompañante autorizado. Además, ciertas ciudades ofrecen una sala de espera para los pasajeros UMNR, sin embargo, el uso de esta sala puede depender del tiempo de conexión, así como de la distancia entre la puertas de embarque. Generalmente se llevará a los pasajeros UMNR a la sala de espera si el tiempo de conexión es superior a una hora.

Aceptación de las normas

- Los niños de cinco (5) años o mayores pueden viajar sin acompañantes en los vuelos de American Airlines que no cambian de avión.
- Los niños con edades comprendidas entre ocho (8) y catorce (14) años pueden viajar sin acompañantes en vuelos que requieran conexiones.
- Las reservaciones deben ser confirmadas hasta el destino final y no pueden incluir ninguna conexión en el último vuelo del día de American Airlines al destino especificado.
- Los niños de edades comprendidas entre quince (15) y diecisiete (17) años se consideran jóvenes adultos y no necesitan usar el servicio de UMNR. Sin embargo, el servicio de UMNR también estará a su disposición si así lo solicitan y bajo las mismas condiciones ya indicadas.
- Las conexiones con vuelos en otras aerolíneas serán permitidas solamente si lo autorizan los reglamentos de la(s) otra(s) aerolínea(s).
- El cargo por servicio será cobrado por cada niño menor de edad al cual se le provea el servicio. A niños menores de edad de la misma familia viajando juntos en el mismo vuelo se les cobrará solo un cargo por servicio.

OBSERVACIÓN: Todos los menores de edades comprendidas entre cinco (5) y catorce (14) años que viajan sin acompañante deberán utilizar el servicio UMNR.

- Se aconseja presentarse y documentar el equipaje en el mostrador de nuestra aerolínea con bastante tiempo de anticipación para poder suministrar la información necesaria para UMNR antes de embarcar (por ejemplo: para vuelos nacionales 1 ½ horas antes de la salida, para vuelos internacionales 2 horas).
- **La persona que acompaña al menor al aeropuerto debe proporcionar al agente del mostrador su nombre, dirección y teléfonos de domicilio y de trabajo. Se deberá proporcionar al agente del mostrador la misma información del padre/guardián que recibe al menor.**
- **El padre o guardián que acompaña al UMNR al aeropuerto debe permanecer en el mismo hasta que el menor haya abordado y el avión haya abandonado la puerta de embarque. Además, el adulto nombrado para recibir al UMNR deberá estar esperando en el destino (Sala de Llegadas Nacionales e Internacionales/Mostrador) a la hora programada de llegada del vuelo.**
- Las políticas de aceptación pueden cambiar. Comuníquese con la línea aérea para confirmar las políticas actuales.

Por favor aconseje al menor que debe seguir solamente las instrucciones que le den los miembros y agentes uniformados de American Airlines o el personal acompañante autorizado del aeropuerto.

Le sugerimos que el menor lleve consigo sus juguetes, libros y golosinas favoritas en una maleta de mano o mochila para entretenerse durante el vuelo.
